**RENEWED PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(B)**

MS PETITION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Responsive to the Decision on Petition mailed March 1, 2006, it is respectfully submitted that a complete reply was previously submitted to the U.S. Patent and Trademark Office.

In particular, it is noted that the Petition to Revive was filed on December 12, 2005, in order to establish co-pendency for the filing of a Continuation-in-Part application. This Continuation-in-Part application was filed on November 23, 2005, and has been assigned serial number 11/285,306.

The Decision on Petition indicates that "no continuity with the above-identified application has been recorded in the Office." A review of the U.S. Patent and Trademark Office's Patent Application Information Retrieval (PAIR) system clearly shows that U.S. Appl.

Birch, Stewart, Kolasch & Birch, LLP

KM/asc

No. 11/285,306, filed on November 23, 2005, is a Continuation-in-Part of the present application. This relationship can also be seen in the "Continuity Data" section for both the present application and the Continuation-in-Part application. Accordingly, the Continuation-in-Part application has been "recorded in the Office."

The Decision on Petition sets forth that a "grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed)..." and that "Applicant lacks item (1)." Accordingly, because the required reply, in the form of a Continuation-in-Part application, was previously filed, it is respectfully submitted that the Petition to Revive is complete.

Therefore, in order to establish co-pendency between the present application and the Continuation-in-Part application filed on November 23, 2005, a three (3) month extension of time, i.e., until November 24, 2005, was necessary in the present application. Although the U.S. Patent and Trademark Office has refunded this fee to the undersigned's deposit account, it is again respectfully submitted that this fee is necessary to establish co-pendency between the present application and the Continuation-in-Part application. Accordingly, a Petition for Extension of Time under 37 CFR 1.136 is again attached hereto, together with a Fee Transmittal authorizing the U.S. Patent and Trademark Office to charge the undersigned's deposit account the necessary \$1,020.00 fee for a three (3) month extension of time.

Accordingly, it is respectfully submitted that the abandonment of the present application on August 24, 2005, due to failure to obtain a three (3) month extension of time until November 24, 2005, was unintentional. The three (3) month extension of time of the period for response until November 24, 2005 was necessary in order to establish co-pendency with the Continuation-in-Part application filed on November 23, 2005. It is therefore respectfully requested that the

Birch, Stewart, Kolasch & Birch, LLP

KM/asc

Office of Petitions reconsider its decision, and grant the undersigned's petition for revival of the present application for the period of time ending on November 24, 2005.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§1.16 or 1.17; particularly, extension of time fees.

Dated: May 1, 2006

Respectfully submitted,
